RE

2 May 54

25X1A6a

4. As the funds must be placed under contract before the end of the fiscal year the Director is requested to advise of the exact amounts applicable under each contract so that the transfer may be effected.

5. The size or scope of the projects listed should not be changed without prior approval of the sponsor, however costs may vary within the total amount of funds being allotted.

6. It is requested that early action be taken toward the design of these additional facilities.
